

IQ HUMIDIFYING SOLUTION

OVERVIEW

Maintaining optimal air quality is essential for human well-being.

The air we inhale is constantly compromised by numerous individuals and industrial activities. In addition to pollution, our environment harbours airborne pathogens that can result in various infections, posing a risk to our health. These airborne germs and pollutants significantly contribute to respiratory disorders such as asthma, allergies, and respiratory tract infections, which can be life-threatening.

IQ HUMIDIFYING SOLUTION can eliminate the toughest of germs.

With its gentle qualities, it is the ideal product for all ages to disinfect the air we breathe in our homes, schools, workplaces, or any enclosed space where airborne germs are found.

FEATURES

IQ HUMIDIFYING SOLUTION Kills harmful germs including viruses and bacteria.

The active ingredient responsible for **IQ HUMIDIFYING SOLUTION** broad-spectrum germ killing and air purifying capabilities is Hypochlorous solution (HOCl, $\pm 0.05\%$).

HOCl is a natural forming acid, similar to that produced by our immune systems.

IQ HUMIDIFYING SOLUTION is eco-friendly and biodegradable.

IQ HUMIDIFYING SOLUTION is non-irritant, non-toxic and completely safe to inhale from your humidifying device.

IQ HUMIDIFYING SOLUTION deodorizes the air by eliminating odour causing germs.

METHOD

OF

APPLICATION

Cleaning your humidifying device regularly will improve its usefulness and lifespan. Failure in doing so may favour the growth of germs and can potentially be expelled into the air you breathe. Follow the cleaning instructions of your device as per the user manual from the manufacturer.

Once your humidifying device is cleaned and ready to be used:

1. Add **IQ HUMIDIFYING SOLUTION** to clean water at a 1:10 dilution rate. (1 part solution to 9 parts clean water)
2. Fill any ultrasonic humidifying device with the diluted solution.
3. Place the humidifying device in a suitable space for the air to be purified. Preferably centrally placed in a room.

None known.

SIDE EFFECTS

This product contains no harmful chemical compounds or alcohol in composition and is completely safe to use in all areas as instructed.
